

# BIRCH CLASS NEWS

*What an awesome start it has been from Birch class. We had an amazing last half term and are looking forward to this next one. From creating our own fajitas to learning all about the Day of the Dead in our Hola Mexico Topic, we never stopped. Can I just thank everyone in my class for how brilliant you've been!*

## **BIRCH CLASS REMINDERS**

Water bottles are priced at 50p should you wish to purchase one for your child.

Tuck is priced at 20p per item—£1 for a week. Tuck orders and payment will be taken on a Monday for the rest of the week. Your child will need to place their order and pay each Monday in order to receive tuck at playtime.

Please ensure all uniform and PE kit are labelled with your child's full name.

Pencil cases are not allowed in lessons and all stationary is provided for pupils in school.

Children should have their P.E kit in school all week. Please ensure that your child has a plain t-shirt and plain shorts of joggers.

Please listen to your child read regularly— little and often is the key! Children will be rewarded in school for completing their reading records a minimum of 5 times a week.

Learning Logs will be sent home on a fortnightly basis. There is additional information on the inside of the books.

Thank you for your continued support, we are very much looking forward to working in partnership with you this academic year!

*We've had some great highs this last half term. I would firstly like to thank everyone who participated in the Enrichment activities. The football team also won their cluster event held at Erasmus Darwin Academy meaning they will be going through to play at St Georges Park!*

*This next half term, the topic we will be looking at is called Frozen Kingdom which focuses on the different Polar regions.*

*Tasks will include researching what it was like to visit the Arctic and creating our own itinerary from travel brochures, creating our own watercolour Northern Lights artwork and learning about the Arctic and Antarctic regions through researching glaciers and other landscape features.*

*We also have our Remembrance and Practical Maths day to look forward to. We will be taking part in different activities linked to these subjects.*

*I'd like to thank everyone in my class for how well they work together—team work does definitely make the dream work in Birch class!*

*Well done guys!*
