Critical Worker Newsletter

It has been another busy week in the bubbles and the children have been producing some amazing work and having lots of fun. You can see what they have been up to by looking at our Twitter page. As always, thank you for all that you are doing in the fight against Covid 19 and we hope you have a lovely weekend.

Polite Reminder

Children should arrive at school between **8.30am** and **8.40am**
Thank you

CRITICAL WORKER PROVISION

We want to support critical workers to complete their role in the fight against Covid 19.

We have received a large amount of applications and thank you for completing forms by the designated time. Home is always the safest place for children and your family at the current time. However when a critical worker place is a necessity, please remember:

- If your child can be at home safely they should be. We know it is not ideal if you are working at home, but please remember this is the safest option for pupils, families, staff and the community. It is necessary for parents, the academy and employers to work together at this time.
- The provision must only be accessed when critical workers are at work and your child must be collected as soon as your shift is completed.
- It will be necessary for us to stop the provision if found to be misused or information shared not to be accurate and true.

Thank you

COVID SYMPTOMS AT HOME FLOW CHART

Does my child have a temperature, new continuous cough or loss of taste or sense of smell?

Does any member of our household have a temperature, new continuous cough or loss of taste or sense of smell?

Yes

Yes

Child stays at home

All members of the household stay at home.

NO

CHILD MUST GET COVID TEST – COVID NHS Number 119 – MUST INFORM SCHOOL OF RESULT

Member of household showing symptoms must get COVID test – COVID NHS NUMBER 119 and others get tested if they show symptoms – MUST INFORM SCHOOL OF RESULT

Positive or No Test

Negative

Negative

Positive

Child must stay at home for at least 10 days and temperature/ cough has gone

If child is well and temperature gone

Child stays at home for 14 days

If child shows any COVID-19 symptoms they cannot return to school without receiving a NEGATIVE TEST or a minimum of 10 day isolation.

Child can go to school

If you are contacted by NHS Test and Trace (and your child was with you during the contact with the COVID-19 person) you and your child must self isolate for 14 days, even if either of you receive a negative test.
