Gentleshaw Grapevine

This week our PLT (Pupil Leadership Team) led their first academy event – a collection for the foodbank. Thank you for all of your donations which will make a difference to lots of families. The PLT will be arranging a number of different events during the year and I'm extremely proud of how committed the group are to their role.

Over the next few weeks we are working to update the information on our academy website, adding more details about different areas of the curriculum, the methods that we use in school and how you can support your child at home. You can also keep up with the daily happenings at the academy on twitter. Every day we share photographs of exciting things going on and you don't have to create a Twitter account to see this. You can simply follow the link at the bottom of our 'News' tab on the school website.

Next week we have parents' evenings and we are very much looking forward to welcoming you into school and sharing the amazing things that our children have achieved already this year.

Have a wonderful weekend,

Miss Saunders

The Gentleshaw Team would like to thank everyone that has been part of or supported the FROGS PTA over many years. Particular thanks to Jayne and Becky who have continued to lead the group, giving up hours of their time.

Due to numbers, the group will no longer be leading fundraising events. FROGS has held many wonderful events and raised money to support the academy in so many ways. Please rest assured that we will still be holding all of the same exciting and much loved
