Maths

This half term the children will be looking at 2d and 3d shapes.

They will be learning about the properties of these shapes and using Venn diagrams to compare. After this, children will be introduced to fractions.

English

Pine class will be writing their own stories inspired by the text 'Supertato'.

In order to do this, we'll be doing lots of role-play and hot seating to gain further insight into the story and the characters.

We will also be writing diary entries and letters.

Science

This half term, we will continue learning about 'keeping healthy' and the importance of this. We will also be planning and carrying out investigations.

Art/DI

This half term, we will be looking at the work of the artist 'Andy Warhol' and the famous pop art. Children will be creating their own pop art portraits in the style of his work.
