

# WILLOW CLASS NEWS

Welcome back! I hope you all had a wonderful Christmas. What a fantastic term we have had. The children have all worked extremely hard and produced excellent pieces of work. Spring term is full of exciting things and I am looking forward to these upcoming weeks!

## CLASS REMINDERS

Water bottles are priced at 50p should you wish to purchase one for your child.

Tuck is priced at 20p per item—£1 for a week. Tuck orders and payment will be taken on a Monday for the rest of the week. Your child will need to place their order and pay each Monday in order to receive tuck at playtime.

Please ensure all uniform and PE kit are labelled with your child's full name.

Pencil cases are not allowed in lessons and all stationary is provided for pupils in school.

Children should have their P.E kit in school all week. Please ensure that your child has a plain t-shirt and plain shorts of joggers.

Please listen to your child read regularly- little and often is the key! Children will be rewarded in school for completing their reading records a minimum of 5 times a week.

Learning Logs will be sent home on a fortnightly basis. There is additional information on the inside of the books.

Thank you for your continued support, we are very much looking forward to working in partnership with you this academic term!

## English

The children will be continuing with their fantastic writing throughout their English lessons, and introducing new concepts of grammar. In line with our topic, we will be writing from the viewpoints of mountaineers and writing poetry focused around mountains.

## Maths

In Maths the children will continue to developing their knowledge of multiplication and division and learn how to apply different methods. They will then be moving onto fractions and decimals.

## Topic

Our topic for this term is 'Misty Mountain Sierra'. The key focuses within this topic are geography and science. The children will be learning about how the world is made up of different terrains and how life changes at different altitudes. The children will also be exploring the Water Cycle and carrying out experiments based around this.

## Science

In Science we will be looking at Sound. The children will be learning about how sound travels and how we hear sounds. They will be conducting various experiments, including a sound survey around the school.

Thank you for your continued support.
