Dear Parents/Carers,

We are so excited to announce that in April 2023 we will be offering a five day/four night residential to Laches Wood for our wonderful Willow class. Children will depart from school by coach on **Monday 24<sup>th</sup> April 2023**, at 9:15 am and will return to school **Friday 28<sup>th</sup> April 2023**, at approximately 3pm.

After the success of last year's trip for our year 5 class, I am thrilled to be able to offer this residential once again. I'm sure you will agree that this is a wonderful opportunity for your child/children to experience an array of new and thrilling activities with their friends.

Laches Wood is a fantastic destination and there are many recognised benefits to be gained from engaging in this residential outdoor learning visit. These include personal and social development, where independence, team work, confidence and self-esteem can be raised and strengthened through fun and challenging group activities, often in new and natural surroundings. Laches Wood is designed for children of all ages and allows them to participate in a range of activities which will motivate, delight and at times put our children into situations where they may need to overcome fears.

The total cost of the visit is **£299.40** which includes transport, meals, activities and accommodation. We wanted to give you plenty of notice so you can plan and budget for your child's visit. We have set out a payment plan as seen in the table below however if you would like to discuss an alternative payment plan please don't hesitate to contact Mrs Boston in the school office.
