

I hope everyone had a lovely break and welcome back! I am very excited about all of the fun things we will be doing in Oak Class this half term! Miss Spencer.

Thank you for your continued support!

Topic:

During our topic lessons we will be learning about the Enchanted Woodlands.

Science:

Our science lessons will be linked to the Enchanted Woodlands and we will be focusing on Plants! We will also be planting our own seeds and watching them grow over the half term!

Maths:

In maths children will be looking at measurement and looking at height, length, weight and capacity. We will be continuing to work on addition and subtraction within 20. We will continue to work on place value and number sequences, and use this to help us with our addition and subtraction.

English:

In our English lessons we will be improving our writing using adjectives and conjunctions. We will be looking at fairy tales and non-chronological reports, and in our grammar lessons we will be focusing on prefixes and suffixes.

Children will have daily phonics lessons, handwriting and spelling practise, alongside individual and guided reading sessions.
